

THE SIAM BARRISTERS
COMPANY LIMITED

ABOUT US

The Siam Barristers Co Ltd is an international law firm based in Bangkok. The firm is formed by group of lawyers specialize in courtroom advocacy. Our team is highly qualified professionals that offer specialist legal advice. The majority of our work is for organizations in five main sectors: insurance, shipping, aviation, international trade, and logistics.

We offer advice covers litigation, arbitration, dispute resolution, commercial disputes, corporate matters including contracts, employment, property and finance.

Our lawyers are known for the capability to assist our clients. We have in-depth sector knowledge. Our lawyers have practiced in each sector with decades experience to serve clients with an understanding of their business.

We are well known as specialized advocate with the balance of corporate and regulatory practices. This allows us to ensure our advice serves our clients with a full comprehensive legal service.

It is our commitment to ensure that the profession maintains its reputation for excellence and independence. The best advice and levels of service shall be provided to serving the interests of our clients.

SECTORS INSURANCE

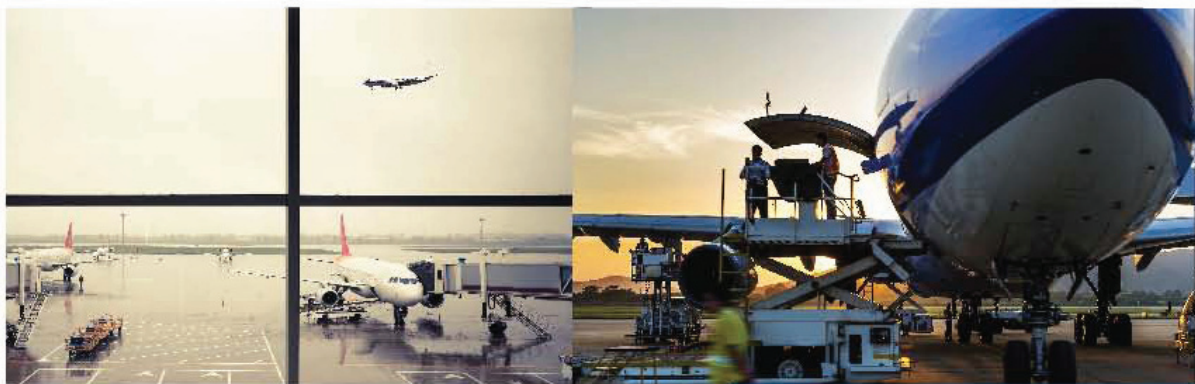

Our specialist marine lawyer team provides comprehensive advice on marine insurance including dispute resolution, policy defence, and subrogation work. We have expertise in English Law and we have a broad based practice advising insurance companies.

Our team has been involved in leading cases in the law of marine insurance. We also advise our clients on aviation, property, and liability insurance. In this respect, our team has many years' experience of dispute resolution in insurance matters whether negotiation, mediation, arbitration or litigation.

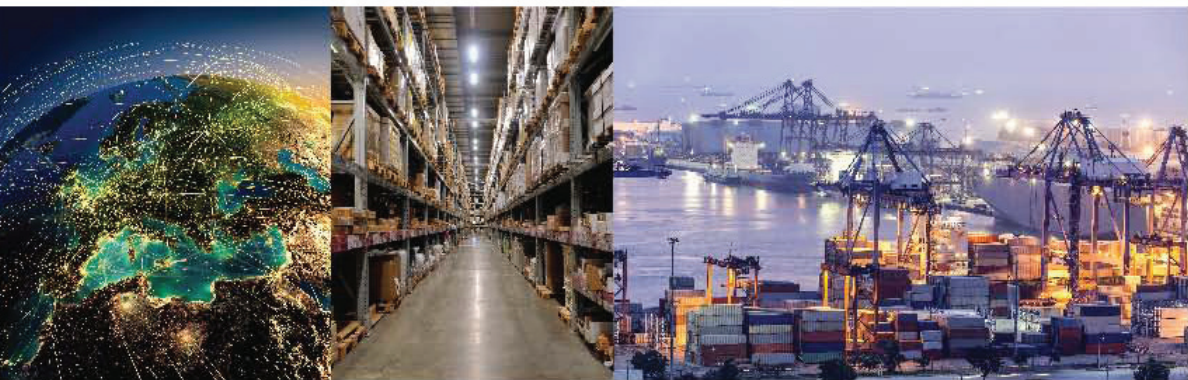

SHIPPING

We have worked with in-depth understanding of the international shipping sector. Our practice area range from charterparty, ship sale and purchase, all forms of shipping contracts to collisions, piracy, ship arrest, and transport-related disputes. We provide legal advice with an understanding from the perspective of parties involved: insurers, clubs, shipowners, and charterers.

AVIATION

Our trusted team of specialist lawyers provide in all types of aviation related work including claims, liability disputes, insurance, and subrogation work. The deep understanding of the aviation both in legal and business perspective enables us to serve our clients with decisive advice to achieve the best result.

INTERNATIONAL TRADE

We have expertise in global trade. Our international trade lawyers have worked previously in industry that ensures us to provide advice on all aspects of international trade. Specific areas of expertise include financing, trading, transportation, and insurance. In this sector, our team also provides service for dispute resolution and international arbitration.

LOGISTICS

Our lawyers in logistics group provide clients on a range of the disputes arising out of logistics services including sea, road, rail, and air carriage. Our practice areas include claims and liabilities disputes relating to the operation of national and international both marine and air ports and terminals. We also support and work with the clients in relation to all issues they face in logistics services.
